

## Minutes from Booster Club Meeting on **Monday, April 16**

Attendees: Mike Crego, Karen Pensinger, Kaitlyn Giles, Michelle Hayes, Gail Howard

### **REMINDER to coaches and managers:**

- The Zimmerman Booster Club webpage, [www.zimmermanthunder.com](http://www.zimmermanthunder.com) has pages for all sports and activities
- The 2% allocation paid by all sports/activities helps pay for this webpage so we want everyone to use it! Many of the pages need updated header pics and possibly a contact name
- Greg, our webmaster, indicated that the page has had **17,000 hits** since last October 16, 2017!
- **Jamie** – could you send out a reminder to all coaches / managers encouraging them to click on the webpage and find their sport/activity in the list to consider what updates could be made? A new picture / article could be sent simply by scrolling down to the bottom right and clicking on Evolution Technologies. Greg does a great job of updating the pages himself with stories from the Star News, but more recent pictures would bring people back to the page since it would appear to be current.

### Agenda item: Concession Stand Wrap-up

- **Cassandra** – could you please write up a job description and forward to this group, we would like to find a replacement soon and we can discuss during our May meeting

### Agenda item: Electric sign on County Roads 4 and 45

- **Jaime** – could you look into how we could share the electrical costs with school athletic department?

### Agenda item: Sassy Bean Fundraiser

- Kaitlyn Giles confirmed the Sassy Bean Fundraiser will occur on May 16 – due to store's lease, the location will be confirmed soon
- Two designs will be available to select from: 1) Zimmerman Thunder, or 2) Something fun to paint.

- Two timeslots: 5-7 and 7:30 – 9:00 with 20 participants in each class
- Sassy Bean is donating back 35%
- Kaitlyn will have more information within the upcoming week for registration, ad for Facebook and the Booster webpage

Agenda item: Sponsorship Opportunities with Dairy Queen and Rol-Air

- Gail will contact both Zack Cook from Dairy Queen and Jay from Rol-Air to discuss sponsorship opportunities

Agenda item: Fall Fundraiser

- Group decided that a comedy night/dinner the weekend of Homecoming would be the best event to start planning
- Mike C will contact Sean at ZBG/Angeno's to confirm if that night will work

Sound system in varsity gym: Mike contacted Barry with Midwest Sound & Stage out of Becker to request he listen to the sound system. Barry agreed that he will come listen to it free of charge, and then we could discuss options and costs.

Next month agenda items:

- Concessions payout to groups who worked concessions this school year (Cassandra / Holly)
- Sponsorship Opportunities (Gail)
- Fall Dinner/Comedy night (Mike)
- Sounds System feedback (if available)

Next Booster Club meeting will be on Monday, May 21 at 7:00 p.m.
